Dear Mr. Schunck:

Supplementing my letter of April 29th, in acknowledgment of yours of April 21st, I have to report that your petition was laid before the Executive Committee at a meeting on May 26th and it has been ordered that it be transmitted to Director Darr for his study and in order that he may be informed on the need which you feel in the matter, and with the request that he undertake what remedial action he can and inform the Committee. It is probable that you will hear direct from Director Darr, but if anything is sent to this office for you on the subject I shall be glad to convey it to you, and in any event to keep you posted.

Sincerely yours,

K. B. Warner
